Dear Colleague:

The Texas Chapter of the Academy invites you to attend our annual meeting, August 14-15, 2009 in Austin. The venue is the fully renovated **Sheraton Austin Hotel**, the same hotel as last year, 701 East 11<sup>th</sup> Street, Austin, Texas 78701. It is located on Red River and 11<sup>th</sup> street just a few blocks from the Sixth Street/ Warehouse district. Hotel room rates are \$122.00/night for single and double occupancy, if the room is reserved prior to July 7, 2009 based on availability. Call 1-512-478-1111 and mention the TCAAOP meeting to secure the group rate.

Enclosed you will find a preliminary meeting schedule and a registration form. You can download additional copies of this information and a TCAAOP membership application from <http://www.oandp.org/membership/chapters/texas/>.

Friday, August 14<sup>th</sup>, is dedicated to workshops in small group settings. This is an excellent opportunity to learn about new technologies in the field while earning Professional Continuing Education credits.

Be sure to attend the Friday evening welcome reception in the Exhibit Hall from 6:30 PM - 8:00 PM and catch up with friends from across the state. This also will be your first opportunity to talk with suppliers. It is through their continued support that we are able to have our state meetings. As you browse the hall, play the exhibitors bingo game! Prizes include generous gift certificates from some of your favorite stores.

Saturday, August 15<sup>th</sup>, speakers from Texas and across the country will share their knowledge and expertise. These speakers have been carefully selected and chosen for the content of their presentations and the importance to clinical practice and scientific research.

Attendees can earn up to 8 CEU's on Friday and approximately 7 CEU's on Saturday.

Mark your calendar and join us for what will surely be an exciting weekend. The Board and I look forward to seeing you August 14th and 15th at the Sheraton Austin Hotel.

Best Regards,  
David K. Telford, CPO, LPO  
President
